Over the course of seven extraordinary days, Giro Blackbird's Ferrari Racing Days Japan Tour will offer an unparalleled fusion of luxury, adventure, and cultural immersion. Begin your experience with a thrilling drive through the dynamic streets of Tokyo, soaking in the vibrant energy of this iconic metropolis. Then, embark on a three-day road adventure that takes you from Tokyo to Nikko, Nikko to Karuizawa, and finally to Yamanakako. Along the way, you'll traverse breathtaking routes that showcase awe-inspiring vistas of Mount Fuji, serene lake views, traditional Japanese temples, and scenic mountain roads, delivering excitement and beauty at every turn. The pinnacle of the grand tour is arriving as a group to Ferrari Japan's exclusive Ferrari Racing Days, where you will have the privilege of seeing all of Ferrari's racing cars from their Challenge, GT, XX, F1 Clienti and Sports Modificata (499PM) programmes come together to roar down the front straight.

Alongside this, you will also be invited to preview the extraordinary 296 special series and admire a collection of rare, limited-edition Ferraris. Beyond the road, discover Japan's rich cultural tapestry through its traditions and artistry, and indulge in the refined flavours of exquisite Japanese cuisine. To make the experience truly unforgettable, photography and videography will be captured by Blackbird's creative team throughout the journey, ensuring that every moment of your extraordinary adventure will be preserved just for you. Giro Blackbird is more than a tour—it's an experience of a lifetime, each year crafted with elegance and excitement.
